PREFACE

Dear Reader,

COVID-19 has changed the landscape of world economy. Evidently, the Government target has shifted from achieving \$5-trillion economy to surviving in current scenario.

While the Government announced Rs.20 Lakh crores package for the economy, there were no tangible benefits provided to business community at large. From Indirect Tax perspective, there were primarily extension of due dates.

In this booklet, we have covered all legislative changes and relaxations done by the Government due to COVID-19 relating to GST, Customs and Foreign Trade Policy.

We would be happy to have your thoughts / comments on the booklet at updates@nityatax.com

A. Goods and Services Tax (GST)

Extension in relevant due dates

1. All actions due to be undertaken between March 20, 2020 to June 29, 2020

- In terms of Section 168A of the Central Goods and Services Tax Act, 2017 ('CGST Act') read with **Notification No. 35/2020-Central Tax** dated **April 3, 2020** ('Extension Notification'), due date of following actions falling between **March 20, 2020 to June 29, 2020** is extended till **June 30, 2020**:
 - Any proceeding / issuance of any order, notice, intimation etc. by any Authority; and
 - Any appeal, reply, application, report, document, return, statement etc. to be filed by taxpayer.

The above extension will not apply to time limit for taking registration i.e. taxpayer will continue to seek registration within 30 days from the date on which it becomes liable.

Implications of Extension Notification

The implications of Extension Notification are as under:

a) Export of goods by Merchant Exporter

Merchant Exporter needs to export goods within 90 days from date of invoice of supplier where supplier pays GST at concessional rate of 0.1 percent. Where such expiry of 90 days falls between **March 20, 2020 to June 29, 2020**, exports can be undertaken till **June 30, 2020**.

b) Receipt of goods from job-worker

Section 143 of the CGST Act mandates principal to receive back goods from job-worker within 1 year (inputs) and 3 years (capital goods). Hence, if due date (expiry of 1 year and 3 year respectively) falls between **March 20, 2020 to June 29, 2020**, the principal can receive back the goods till **June 30, 2020**.

c) Filing of Letter of Undertaking for Financial Year 2020-21

Letter of Undertaking ('LUT') for Financial Year ('FY') 2020-21 can be filed till **June 30, 2020** and till then, LUT for previous FY will continue.

d) Filing of refund applications

Refund applications whose last date falls between **March 20, 2020 to June 29, 2020**, can be filed till **June 30, 2020**.

e) No reversal of Input Tax Credit ('ITC') if payment not made within 180 days

Section 16(2) of the CGST Act mandates payment of value of supply and tax to vendors within 180 days of issuance of invoice. In case of failure to make payment, ITC needs to be reversed along with interest. If due date (180th day) of making payment to vendor falls between **March 20, 2020 and June 29, 2020**, the recipient can make payment till **June 30, 2020**.

f) **Reversal of ITC attributable to exempt supplies and non-business purposes**

Rule 42 and 43 of the Central Goods and Services Tax Rules, 2017 ('CGST Rules') mandates reversal of ITC on inputs, input services and capital goods attributable to exempt supplies and non-business purposes. This reversal needs to be made provisionally during the year and finalized till March 31 of a particular FY post which interest applies. Hence, date of finalization and reversal of ITC stands extended till **June 30, 2020**. Similarly, monthly reversal to be made between **March 20, 2020** to **June 29, 2020**, can be made till **June 30, 2020**.
